

**POLICY CATEGORY:**  
**POLICY FOCUS:**

**PROFESSIONAL PRACTICE POLICY-20**  
**Prescription Refills**

---

**POLICY STATEMENT(S):**

Refill prescription authorizations may be added to the original prescription instead of creating a new prescription when:

1. A computerized transaction log is maintained, or
2. A new prescription number is assigned and a new hard copy prescription is prepared.

***Also see PPP-31***
