POLICY FOCUS:

English Language Proficiency Requirements for Pharmacists

POLICY STATEMENT(S):

1. The English Language Proficiency (ELP) Requirements for Licensure as a Pharmacist in Canada are those defined by the National Association of Pharmacy Regulatory Authorities (NAPRA) (see Appendix 1). The NAPRA Board at their November 2006 meeting approved the ELP standards in Appendix 1 with the recommendation to apply the standard error of measurement to each assessment option.
2. Applicants who have received a university degree from a Canadian or American program accredited by the Canadian Council for Accreditation of Pharmacy Programs (CCAPP) or the Accreditation Council for Pharmacy Education (ACPE) will not be required to undergo English language proficiency testing.
3. All other applicants will be required to successfully complete one of the approved English language proficiency requirements listed below.
