Safe and Effective Pharmacy Care

Resolution to the 118th Annual General Meeting
College of Pharmacists of British Columbia

Saturday, November 21, 2009
Morris J. Wosk Centre for Dialogue - Asia Pacific Hall
580 West Hastings Street, Vancouver, BC

Resolutions:

College registrants were invited to submit resolutions for consideration at the 2009 College annual general meeting. The Resolutions Committee of the College is responsible for receiving and preparing resolutions consistent with the Mission Statement, Mandate and Objectives of the College. The annual meeting provides a forum for the discussion of matters of professional interest and concern.

The following resolution was reproduced as submitted.

While members of the College Board will give careful consideration to all resolutions during subsequent deliberations on an issue, they cannot be bound by the outcome at the annual general meeting discussions due to the potential for conflict with the Board's overriding duty to serve and protect the public.

Resolution 1

Submitted by Liakatali Jiwa, Nimet Karmali, Judy Lau

BE IT RESOLVED:

That incentives for prescription services in the form of Airmiles/Points/Cash-back are unprofessional and counter-productive to patient health and should be disallowed.
