

British Columbia Pharmacists Benevolent Society

Established in 1965 to provide financial assistance to pharmacists in need and to provide bursaries for students

BC Pharmacists Benevolent Society members are people who have contributed funds to the society each year. There are currently 46 members. Receipts are issued for income tax purposes.

We exist to provide assistance to people who are registrants or former registrants of the College of Pharmacists of British Columbia or their legal dependents. The six trustees review requests for assistance, taking into consideration the background information provided and the circumstances of each individual case.

In the 2008-2009 year, we:

- ❖ Funded five \$1000 bursaries for pharmacy students at UBC.
- ❖ Endowed the \$1000 BC Pharmacy 1991 Centennial Bursary for a UBC Pharm.D. student.
- ❖ Renewed a \$7500 interest-free loan to the BC Pharmacy Association's Pharm-Assist Program to enable its clients to receive temporary financial assistance when necessary.

Further information about arranging assistance may be obtained by contacting a BC Pharmacists Benevolent Society trustee.

The 2009-2010 trustees are:
